

## Prefix 'Re' and 'Un'

**Use of re-/un- prefixes before the words  
to form new words**

### **Rules of using the above prefixes:**

- Re- prefix means again, back or it indicates repetition.
- Use un- prefix before words that start with a vowel or consonant. It means opposite.

*Follow the above rules and choose between re- and un- before the words and fill in the blanks to complete the sentences.*
