

Magic 'e' or Silent 'e'

Exploring the silent letter 'e' at the end of the word

Silent e rule: When we add an 'e' to the end of words with a short vowel sound, it changes the sound and meaning. It makes the vowel sound long and says its alphabet name whereas the 'e' becomes silent.

A: Underline the words that follow the magic 'e' or silent 'e' rule correctly. 1st one is done as an example.

1. Rage, race, dance, hare, square, make
